

40TH ANNUAL
SCI MODEL
SYSTEMS
— THERAPY LEADERSHIP FORUM —

Save the Date: October 10-13, 2018

Join representatives from former and current federally-designated SCI Model System Centers from across the country for this annual conference.

The 3-day conference features educational sessions, tours of Rehabilitation Institute of Michigan (RIM), and a keynote address from former RIM patient Cheryl Angelelli; a 4-time Paralympic medalist in swimming and champion wheelchair ballroom dancer. Participants will also enjoy an evening reception at the Detroit Historical Museum.
